AERIAL VIEW

“The boat is a magnificent combination of harmony, elegance, and sophisticated craftsmanship. This is an entirely different world inside and outside. A piece of art and timeless sculpture, I said to myself with a pride when I saw ACE on the water for the very first time.”

ACE

MAIN SALOON

Almost all the furnishings are designed to give the impression of being suspended above the ground, accentuating the sense of free-flowing continuity and the idea of the “floating home”.

Floor-to-ceiling windows add natural light and an airy elegance to the saloon, offering a majestic view of the ocean landscape.

Meeting the highest demands of quality, ACE provides the supreme level of luxury with custom-tailored interior by M2 Atelier. "Less is enough" – that is the philosophy dear to the Italian designers which stands behind ACE's concept. The true envision of this approach is visible in the main saloon, where openness and transparency meets to create a large, inviting space.

SALOON BRIDGE DECK

The bridge deck saloon provides a very informal, asymmetrical lounge area ensconced with a comfortable L-shaped sofa that stretches out under a row of panoramic windows, while a bookcase conceals a large-screen TV behind a panel.

VIP BATHROOM

The designers opted to use only a few, carefully selected materials, with light wood (oak inside, teak outside), marble, gray leather, light colored fabric, and dark metal taking the lead. In this way, the interiors create a sense of luxury and abundance that comes less from an opulent accumulation of different materials and more from how each is treated.

SUNDECK

## SPECIFICATION

Length	44,27m / 145' 3"
Beam	8,90m / 29'2"
Draft	2,5m / 8'
Number of Guests	10
Number of Crew	9
Built	2023
Builder	Conrad Shipyard
Flag	Cayman Islands
Hull Construction	Steel
Naval Architect	Reymond Langton and Diana Yacht Design

## KEY FEATURES

---

Stabilizers at anchor & underway

---

Jacuzzi/pool on the flybridge

---

10.3m chase boat

---

100' Outdoor Cinema TV on the sundeck

---

Low fuel consumption

---

Vast variety of water toys

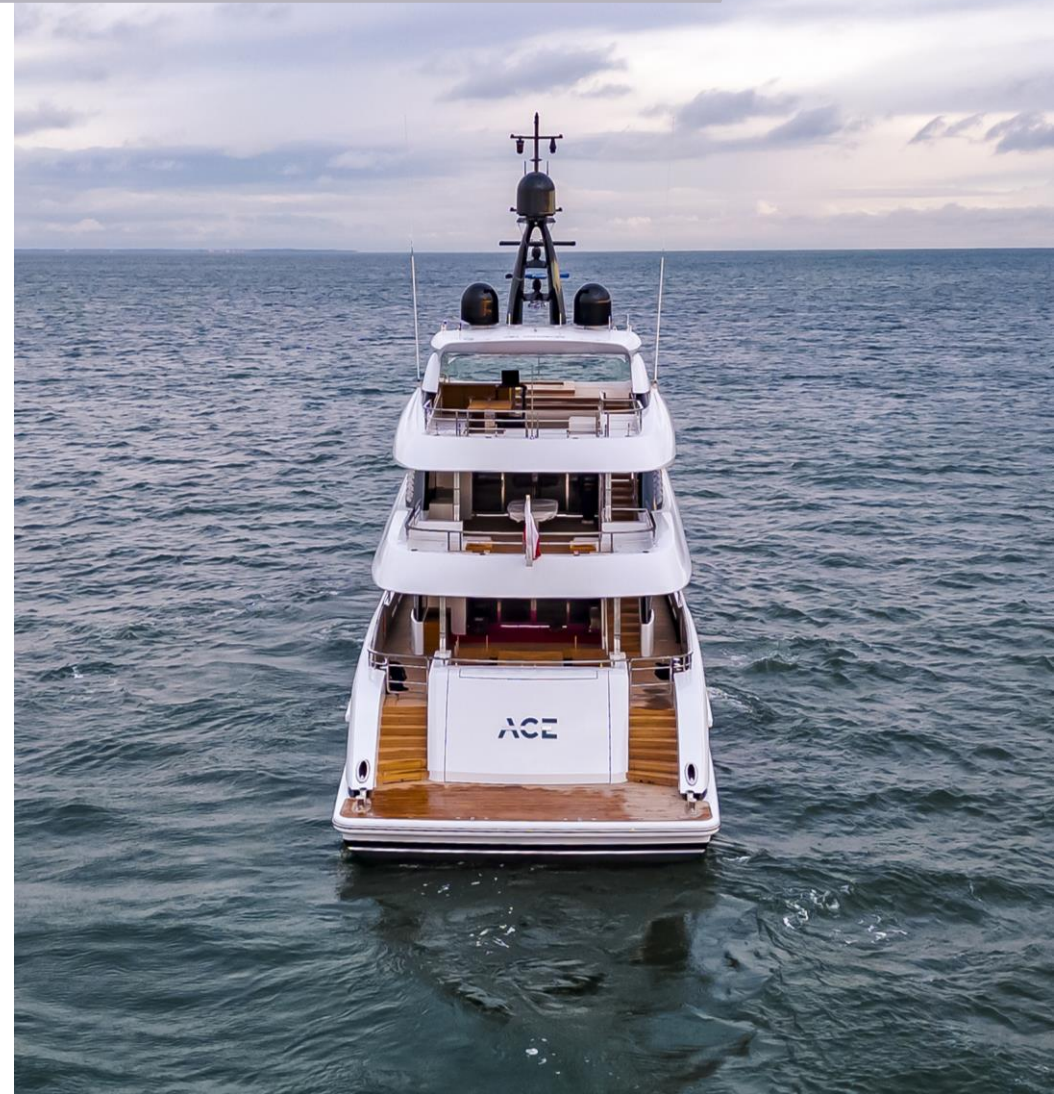

---

Approved RYA center

---

Experienced Charter Crew  
led by Captain Jason McCormack

---

## WATERSPORTS – TENDERS + TOYS

---

2x Yamaha GP1800R SVHO (RYA training centre)

---

1x Castoldi Jet tender

---

1x Nor tech 340 Sport chase tender

---

3x Seabobs

---

1x Electric Jet surf

---

1x Electric Foil Board

---

Kite surfing equipment

---

Wake board and water skis

---

2x Stand up paddle boards

---

Tubes

---

Inflatable 5x5metre pool

---

## ACCOMODATION

---

Number of Guests 10

---

Number of Cabins 5

---
