

E-BROCHURE

# Aquijo

The 86m sailing yacht AQUIJO is the largest high-performance ketch in the world and is luxuriously appointed.

The main deck aft is the social hub of the yacht and features a 24-seater dining table with a retractable skylight.

Her interiors, designed by Dölker & Voges, have fun touches, such as neon high-gloss lacquer headboards and contemporary wood with accents of chrome, giving a modern and fresh feel.

AQUIJO can accommodate up to 12 guests in seven cabins, which can be adapted to suit your party.

The master suite comes with his and her bathrooms, a private elevator and its own terrace, while the remaining cabins can be made into VIPs or sectioned off into smaller cabins.
