

E-BROCHURE

Arrow

With interior and exterior design by H2, ARROW is a glossy and state-of-the-art superyacht yacht that combines supreme build quality with plenty of room for socialising and entertaining.

The scene is set in the main salon with lots of varnished teak and backlit marble creating a lavish lounge, where offset settees curve into each for a more intimate atmosphere. Formal dining for 12 round a glass table lies beyond and further still there's a cinema area with surround sound.

ARROW can accommodate 12 guests across six cabins, including a main deck master, complete with private office space, a bridge deck VIP and three further doubles and a twin cabin on the lower deck.

Guests can expect the highest levels of quality and service from ARROW's 19 extremely experienced crew members.

Charter guests will love her exquisite sun deck, with its partially transparent Jacuzzi with sun pads forward, pizza oven and barbecue area, gym – which can be either open or enclosed – a cool sit-up bar and lots of lounging options, including C-shaped sofas aft with more infinity views.

However, ARROW's standout feature is surely her full-beam beach club, which transforms into a sea-level evening entertaining lounge. There's a bar, lots of seating and access to the massage room and steam shower. And, of course, during the day this is the hub of activity for guests who want to try out the plethora of water toys or hop aboard one of three tenders.
