EXPERT'S VIEW

"ARTEXPLOERER is the largest aluminium sailing Catamaran in the world, chartering her is a unique experience. With a beam of 17m she offers an impressive main deck area. ARTEXPLOERER can accommodate up to 12 guests in 6 comfortable cabins including 3 cabins on main deck. her great performance under sails will allow the crew to set the sails even with low wind and still have a good cruising speed with the wind as only noise around."
