ATHOS

MAJESTIC POWERFUL UNIQUE

The largest – and dare we say it most beautiful – two-masted schooner to grace the ocean, Athos is in a league of her own. Fast, powerful and majestic, her sleek profile sits low and close to the water, delivering an inimitable sailing experience, while her world-class amenities, brought firmly up-to-date by her recent full-scale refit, promise boundless fun whether underway or at anchor. With a dedicated and longstanding crew on board, an outstanding toy collection and freshly reconfigured accommodation, it's easy to see why so many guests come back year after year.

ATHOS

INTERIOR LIVING

CLASSIC STYLING. MODERN AMENITIES.

Athos' original designers Hoek were brought back for her latest transformation, bringing with them their 'classic above/modern below' approach to yacht design. Rich woods, soft, tactile fabrics and a calming colour palette of blues, greens and neutrals create spaces that are both modern and inviting. Whether socialising in the well-appointed upper salon or curling up in the newly installed media room with its 68" screen, guests will feel completely at home whilst on board.

EXTERIOR LIVING

ALL DECKED OUT

Athos's latest transformation gave her a 1.55m extension at the stern and allowed for a completely reconfigured cockpit, with a vast sunbed area and bar for lazy days spent under the sun and seating for up to 12 guests in dining or coffee table configuration. New booms, carbon rigging and a brand-new set of North Sails ensure exhilarating days under sail, with the excitement continuing while the yacht is at anchor, thanks to a brand-new custom X craft tender and vast collection of toys.
