

BELLE AIMÉE

## INTRODUCTION

Belle Aimée was built in 2010 by the prestigious Dutch builder Amels and received an interior and AV upgrade in 2013. The 52-meter (171-foot) motor yacht is equipped with a state-of-the-art dive center and wet lab featuring top-of-the-line equipment. Her elegant interior is beautifully appointed with exquisite accents, while her deck and exterior spaces provide multiple distinctive areas for entertainment or relaxation.

## SUN DECK

- Large spa pool surrounded by sunpads
- Enclosed cocktail bar and seating area
- Games table and vintage foosball table
- Full or partial sun canopies available
- Outdoor sun deck movie projector screen
- 2013 Octane XR4 recumbent elliptical machine
- Outdoor sun deck karaoke system
- Spacious lounge seating
- Dining for 2-12 people
- Massage table
- Yoga area

A man in a light blue striped shirt and grey shorts is sitting on a large, light-colored cushion on the yacht deck. He is smiling and looking towards the camera. The deck is surrounded by a variety of colorful and patterned pillows, including red, white, yellow, and black and white striped ones. The hot tub is visible in the foreground, and the ocean is visible on the left side of the image.

A woman in a dark bikini is sitting on a cushion on the yacht deck. She is wearing sunglasses and has a small black dog sitting next to her. The deck is furnished with numerous colorful and patterned pillows. The hot tub is visible in the foreground, and the ocean is visible on the left side of the image.

A woman in a dark bikini is swimming in the hot tub. She is wearing sunglasses and has her hair tied back. The hot tub is surrounded by a wooden deck and is filled with clear, turquoise water. The yacht deck is furnished with numerous colorful and patterned pillows.

## DINING

Guests aboard Belle Aimée are treated to exceptional dining experiences featuring the finest cuisine carefully crafted by the yacht's professional chef. Prior to arrival, a custom menu will be created that takes into consideration taste preferences and dietary restrictions of each guest. From breakfast on the shaded main deck aft to a casual lunch on the sun deck, to formal dinners inside at the antique monk's table or under the stars on the bridge deck, every deck offers unique dining spaces. Whether you are passionate about gourmet dishes, exotic flavors, local cuisine or simply want to try something new, Belle Aimée's professional chef and Silver Service-certified stewardesses ensure that each meal is orchestrated to perfection.

Enjoy Belle Aimée's very own 44' (13.4m) Hinckley Talaria "Blue Devil" equipped with its own stateroom, full bath and galley. Pack a picnic or enjoy a glass of wine on this beautiful cruising yacht. Blue Devil offers a luxurious way to treat you and your guests to exciting day excursions into remote areas, fishing and diving trips or just anchor her off the beach for a beautiful and relaxing meal!

## FAMILY FUN

Each charter with Belle Aimée is carefully planned to cater to every member of the family, guaranteeing memories that will last forever. Belle Aimée is fully equipped for guests who are serious about underwater exploration, and her expert dive instructors can guide dives at all levels. Onboard, everything from board games to karaoke and thousands of movies will keep guests entertained, while countless water toys ensure that even the youngest guest will delight in this unique experience.

## LIFELONG LEARNING

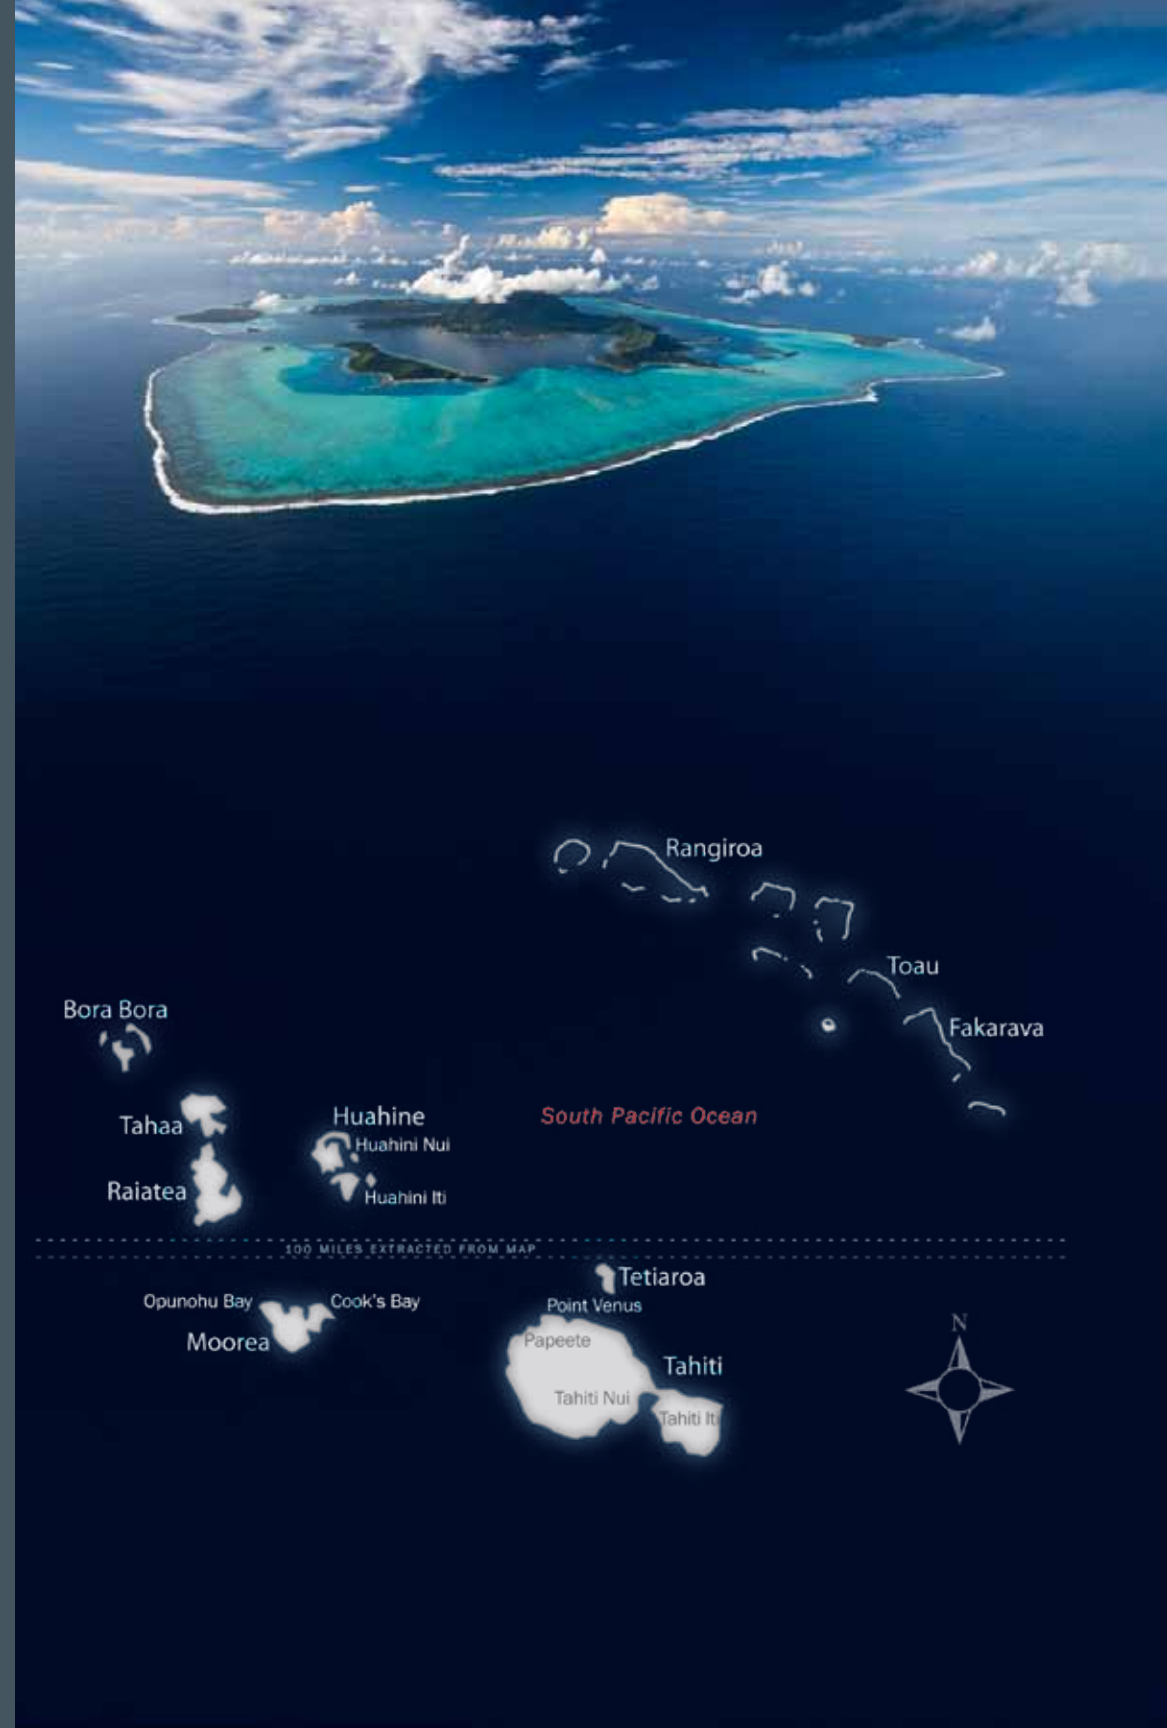

There can be no greater joy than watching children delight in a new learning experience and sharing in that experience with them. Aboard Belle Aimée every member of the family is encouraged to take part in activities. From undersea exploration to learning to dive, to onshore and cultural discovery, education for all ages is the premise underlying any Belle Aimée charter. Belle Aimée has partnered with the internationally accredited Ross School to create custom educational programs for your family to experience during your charter.

## ITINERARIES

FRENCH POLYNESIA - Fragrant breezes over crystal lagoons, craggy mountain peaks reaching into the clouds, teeming undersea reefs awaiting discovery and a rich indigenous culture are but a few of the elements that make a yacht charter in French Polynesia so alluring. Comprised of five archipelagos - the Society, Marquesas, Tuamotu, Austral and Gambier islands - French Polynesia covers a 2 million square mile area in the southern Pacific Ocean between Australia and South America. Whether this is your first or 50th visit to French Polynesia, your customized charter aboard Belle Aimée will be the vacation experience of a lifetime.

## 7 Days Exploring the Society Islands

The Society Islands, with their lush green mountain peaks and exquisite beaches, beckon with the promise of adventure and exploration. Visitors will certainly experience the same emotion that moved Captain Cook when he first came upon the island now known as Tahiti and the peaceful lagoons and natural, coral-fringed passes that surround her.

Don't let the tranquil landscapes and enticing underwater worlds fool you, as the Society Islands are pulsating with a colorful and vibrant culture, beautifully juxtaposed between traditional customs and the occasional glimpse at high-end luxury lifestyle.

With an average year-round temperature of 27 °C (80 °F), a beauty that is enticing and a charm that is inspiring, the Society Islands are your own piece of paradise, waiting to be explored.

## 10 Days Diving the Tuamotu Archipelago

The Te Moana Nui, or “big ocean” has long played an important role in everyday Polynesian life, particularly in the more remote islands. Those passionate about diving and underwater exploration will appreciate all that Te Moana Nui has to offer in the Tuamotu Atolls. Ancient volcanoes formed these remote atolls, yielding spectacularly clear water that is warm, shallow and offers some of the most incredible and beautifully preserved snorkel and dive sites in the world.

Regardless of level or experience, the Tuamotu Atolls will delight every guest with countless opportunities for marine life discovery and exploration. Get ready to dive with dolphins, grey reef sharks, sea turtles and teeming schools of colorful fish; a charter in the Tuamotu Atolls has all the makings of a great adventure.
