M/Y LIBERTY

With huge volumes, impressive performance, and a unique designer interior, this sophisticated statement yacht was created to meet the very specific requirements of her discerning owners.

Her sleek, dark grey hull and dynamic lines convey a sense of power and speed. Fully stabilized and capable of speeds in excess of 15 knots, she is comfortable, fast, and remarkably fuel efficient.

Resolutely contemporary, the interior décor is striking yet comfortable and immediately welcoming. The six luxurious staterooms each reflect a different ocean-inspired theme: turtle, seahorse, shark, nautilus, shrimp, starfish, and coral.

Her well-appointed, spacious deck areas are designed for maximum flexibility, adaptable to every situation from private sunbathing to elegant cocktail parties. For those who prefer a more active lifestyle, LIBERTY is equipped with a wide range of water sports equipment and boasts the very latest in entertainment and communication technologies.
