DAWO

# Born from Aesthetic Origins

DAWO is the latest 37m Motopanfilo model from Benetti and is brand new to the charter fleet.

DAWO's eye-catching and dynamic exterior looks are sure to turn heads and within, her interior offers a spacious and beautifully designed haven for relaxing, socialising, and spending quality time with family and friends.

INTERIOR LIVING

# Carefree Character

The yacht's design plays on Benetti's iconic 1960s Motopanfilo model. This reimagined version celebrates this iconic look and Benetti's heritage, and blends it with modern superyacht style. The interior décor extensively features Loro Piana fabrics with a contemporary elegance and there's a subtle nod to a nautical colour scheme.

The light and open main saloon is flanked by floor-to-ceiling panels of glass on both the port and starboard sides, allowing an incredible influx of natural light and visual connection with one's surroundings. This space is open plan to the interior dining area and sliding glass doors provide direct access to the aft deck and exterior lounge space.

ACCOMMODATION

# Cradled In Comfort

DAWO has accommodation for 11 guests in five ensuite cabins and operates with a crew of seven. The master suite is located on the main deck and benefits from his-and-hers bathrooms adjoined by a walk-through shower. The guest cabins on the lower deck comprise two VIP suites, one cabin convertible between twin and double arrangement, and twin cabin with additional Pullman bunk.

EXTERIOR LIVING

# Epitome of Enjoyment

DAWO's inviting foredeck whirlpool can be enjoyed by day or night and sits adjacent to a huge bank of cushioned sun pads with optional canopy shade. The crowning jewel of DAWO's deck spaces, is surely her sun deck where there are more sun pads, an alfresco dining table for long, lazy lunches, and a bar counter to serve up sundowner cocktails.

DAWO's fold-down stern transom creates a huge terrace at the water's edge, permitting easy access to and from the water and further lounge space. It's big enough to swing a golf club!

DAWO has a top speed of 17 knots and cruises comfortably at 12.5 knots.
