FAST, STYLISH, AND EAGER TO PLEASE!

The 21m M/Y DOMINIQUE from the popular Ferretti 681 series is fast, stylish, and ideally suited to a Croatia yacht charter. Sporting impressive stability and a top speed of 34 knots, guests can explore the stunning Adriatic coast in luxury.

M/Y DOMINIQUE accommodates up to 8 guests in 4 cabins, consisting of a bright and airy full-beam master, a VIP, and two twin cabins, one with L-shaped bunk beds. The yacht is built for entertaining, with three dining spaces across the yacht: one in the beautiful split-level salon, one on the aft deck, and a third up on the flybridge, where there is also a wet bar and sunpads. There's an additional sunbathing space on the bow, while the yacht's swim platform makes boarding the 3.8m tender or the Seadoo Spark jetski easy.

M/Y DOMINIQUE runs with two permanent crew of captain and stewardess; a chef can also be brought on board for an additional fee to enhance the gourmet experience on your Adriatic yacht charter.
