

115' DERECKTOR

main salon

dining

EL JEFE was designed and built by the team of Sparkman & Stephens and Derecktor Shipyards in 1989 with an interior refit completed in 2007.

The main salon has a comfortable socializing area as well as a formal dining salon which can comfortably seat up to ten guests.

The interior design creates a dramatic contemporary environment.

accommodations

MASTER STATEROOM

TWIN STATEROOM

EL JEFE accommodates 8-10 guests in four staterooms which include a full beam on deck Master with state of the art body spray showers.

Below deck there are three additional staterooms fully equipped with body spray showers, two rooms with queen size beds and additional Pullmans in the twin stateroom.

VIP STATEROOM

skylounge

AFT DECK

SUN DECK

FLY BRIDGE

Perfect for entertaining the skylounge has a 360° panoramic view and is fully equipped with a state of the art entertainment system, as well as a full bar.

The aft deck features alfresco dining for 12 guests, flat screen TV, bar station and convenient access to both the swim platform and sun deck which accomodates up to 10 guests and an outdoor barbeque.

The fly bridge boasts a semi covered sun bed, a full wet bar and an 8 person Jacuzzi/hot tub.
