Watertoys

An aerial photograph of a tropical beach. The water is a vibrant turquoise color, transitioning to a deeper blue further out. Several sailboats are scattered across the water. The beach is a wide expanse of white sand, with many people and colorful umbrellas. In the background, there are mountains and a small island with a building. The entire scene is framed by a teal border.

AIR VIEW

FOREDECK

The image shows the interior of a boat's cabin, likely the helm station. The dashboard is white and features a vertical stack of four control panels on the right side. A large, curved white structure, possibly a speaker or part of the dashboard, is visible on the left. The ceiling is white with recessed circular lights. A small potted plant sits on the dashboard in the foreground. The view through the windshield shows a vast expanse of blue water under a clear sky. The word "INTERIOR" is overlaid in white, italicized text across the center of the image.
