

E-BROCHURE

Jaguar

The 56m Benetti yacht JAGUAR is offered for charter and has just completed an extensive refresh that will leave her in impeccable condition for either winter in the Maldives, or summer in the Mediterranean.

Her main salon has a large lounge with lots of room for kicking back while enjoying the sea views, plus a separate formal dining area.

As part of her refresh, Emilie Dufva Barreca is transforming her interiors, bringing a fresh colour palette of soft pastels, creams, and blues, that will make guests feel right at home.

JAGUAR can accommodate 12 guests across six cabins, including a main deck Master, with a centre-line bed, and a large bathroom with sea views from the tub.

The rest of the guest accommodation includes an upper deck VIP cabin, plus a further three doubles and one twin on the lower deck.

Forward of the master cabin, there is a fully equipped indoor gym that can also be set up as a massage room. A dedicated masseuse and beautician will be available to offer guests a relaxing escape at any given moment and, with a door leading out on deck, this area is easily accessible to all guests.

Out on deck, there's a U-shaped lounge for casual alfresco dining on the main deck aft, the upper deck aft is a huge space for starlit meals and cocktails, while the sun deck, with its Jacuzzi and sunpads with optional shade from parasols is where days can effortlessly drift into nights.

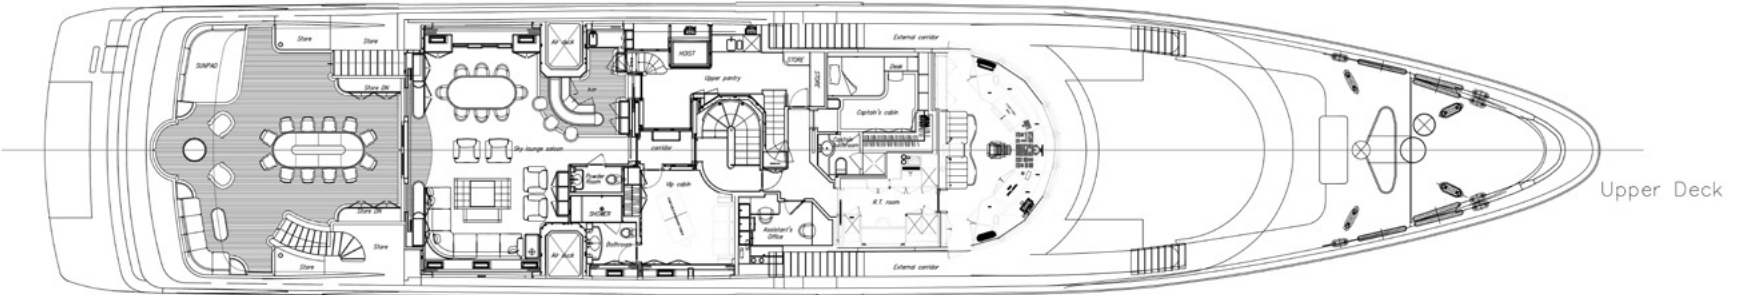

For those who like to stay active on their charter holiday, there is a packed toy box with wave runners, Seabobs, paddleboards and more. For further exploration, guests can jump in either the MasterCraft XT20 or the Intrepid chase tender.
