

# Kontiki

KONTIKI is a luxurious and serene base for charter guests looking to explore this part of South America, which is underserved by superyacht charters.

On board, guests will feel right at home in the calming neo-luxury-style lounges and cabins, where natural woods and woven textiles complement a beautiful aesthetic that blends in with the views through the windows.

KONTIKI can accommodate 18 people across nine cabins, two of which offer panoramic views and four of which are interconnected, making them suitable for families travelling together.

Eight of the nine cabins are convertible, offering a level of flexibility not often found on a charter yacht.

One of her best features is her vast sun deck. It is a great space for soaking up the views and enjoying sundowners, with plenty of sun beds, a sit-up bar, and a large Jacuzzi, while the spa with its massage room and gym allows you to keep on top of your wellbeing while you are away.

For a sea expedition with a difference, plus a healthy dose of fun and wellness, book a charter aboard KONTIKI.
