# Lady Victory

The 26.82m motor yacht LADY VICTORY is available to charter, with plenty of space on deck and inside, she is the ideal charter yacht for relaxing and making yourself feel at home while cruising.

There are multiple well-designed communal areas for dining, drinking and relaxing, depending on where your mood takes you: a formal indoor dining room and salon, two sunbathing decks, a U-shaped banquette with an al fresco dining table at the stern ideal for leisurely lunches, and an outdoor dining area on the top deck.

LADY VICTORY can accommodate up to eight guests across four cabins. All cabins have Sony flat screen televisions and full en suite bathroom facilities. The classical interiors were designed by Elegant Quarters and Gregory C. Marshall. Combining clever use of space with a serious taste of luxury, you'll find elegant mahogany tables, carpeted floors and plenty of soft furnishings.

This spacious motor yacht is perfect for charters all year round, with an on-deck hot tub and plenty of communal space for family and friends.

On deck, a spacious sunbed at the front of the yacht is the perfect spot for lazy afternoons at sea, under the shade of a wide and stylish parasol.

Best of all, treat yourself to an outdoor jacuzzi while looking out at the scenic ocean view all around you.
