Aft Deck Cruising
LETOULI III

A high-angle, rear-quarter view of the aft deck of a white yacht. The deck is finished with teak planking and features a large white L-shaped sofa, a round wooden table with chairs, and a set of stairs leading to the upper deck. Two white radar domes with 'TRACVISION' branding are mounted on the upper structure. The yacht is on clear blue water under a bright sky. The name 'LETOULI III' is printed on the transom.
