

Malia

LENGTH 77.70 M (254'11") **BUILDER** GOLDEN YACHTS **BUILD** 2023

Malia

MALIA is a beacon of opulence and cutting-edge design delivered by the reputable Greek shipyard, Golden Yachts, in 2023. MALIA stands as a testament to sleek, luxurious, and stylish aesthetic. Crafted to perfection, her build highlights a meticulous attention to detail. Studio Vafiadis, the visionary exterior designer, has penned MALIA with a distinct and sophisticated look that captivates. Further contributing to the yacht's allure is the collaborative effort of Studio Vafiadis and Massari Design Studio in shaping the interior spaces. This dynamic duo has curated a sensory experience, integrating over 250 finishes, rich materials, and precious stones seamlessly throughout the yacht. Each detail reflects the pinnacle of craftsmanship and design prowess, making MALIA a masterpiece on the water.

MALIA is the perfect choice for the discerning charterer seeking indoor and outdoor experiences across multiple decks, creating an idyllic sanctuary for relaxation, entertainment and indulgence. The seamless integration of exterior and interior spaces allows guests to effortlessly traverse between them. The strategic use of glass blurs the lines between inside and outside, whether it's basking waterside on the beach club sea terraces, finding tranquility in the spa, or gathering for dinner in the sprawling main deck dining area surrounded by floor-to-ceiling windows.

The charter yacht accommodates up to 12 guests in eight stunning staterooms. The sprawling master suite can be found on the main deck and is complete with a king-size bed, a walk-in closet and an adjoined private office area. Also on the main deck are two king-size VIP cabins and one twin cabin with a Pullman. MALIA's additional staterooms are on the lower deck and comprise two king-size VIP cabins, one double cabin with a king-size bed and one twin cabin with a Pullman, all with en-suite bathrooms.

MALIA offers endless options for indulgence and entertainment. Carve in a workout at the state-of-the-art gym on the sundeck level, followed by an afternoon of tranquility in the sauna, Turkish hammam, and massage room in the beach club. The glass-bottom pool on the main deck aft, positioned above the beach club, allows natural light to cascade into the space below. Further use of glass is seen on the glass-enhanced Jacuzzi on the sundeck. The yacht further boasts an outdoor theater, an exterior lounge/bar area, and numerous sunpads for relaxation. Each deck is adorned with loose furniture, enhancing the overall experience. MALIA is equipped with an elevator for ease of movement between decks, satellite communications and Wi-Fi connectivity.
