“Man cannot discover new oceans unless he has the courage to lose sight of the shore”

*Andre Gibe*

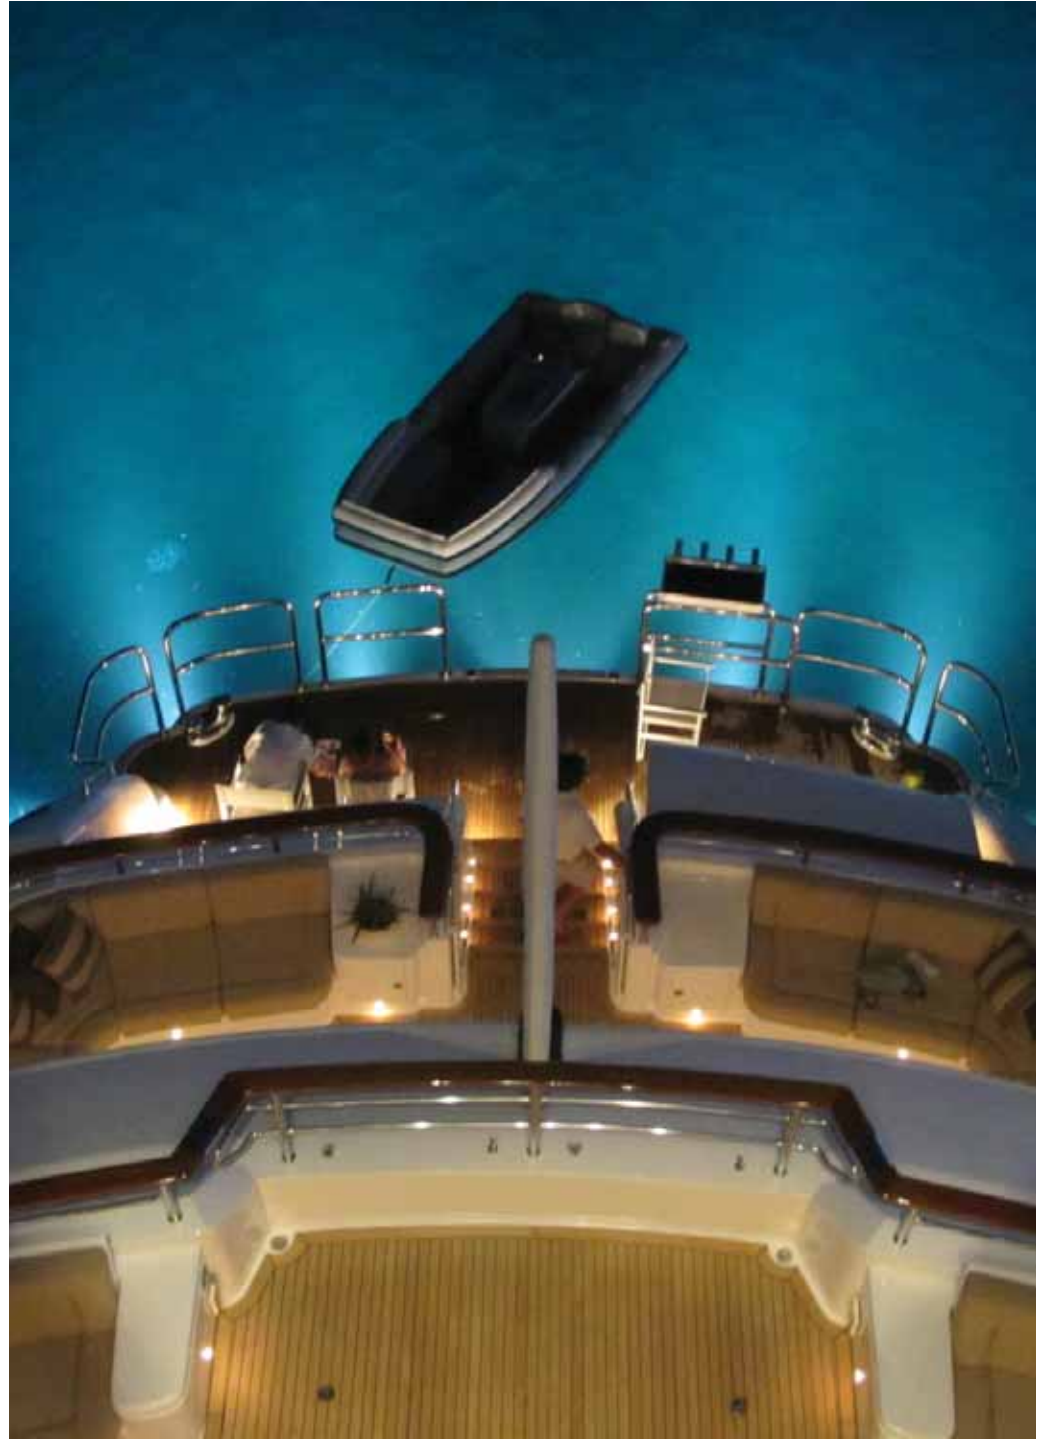

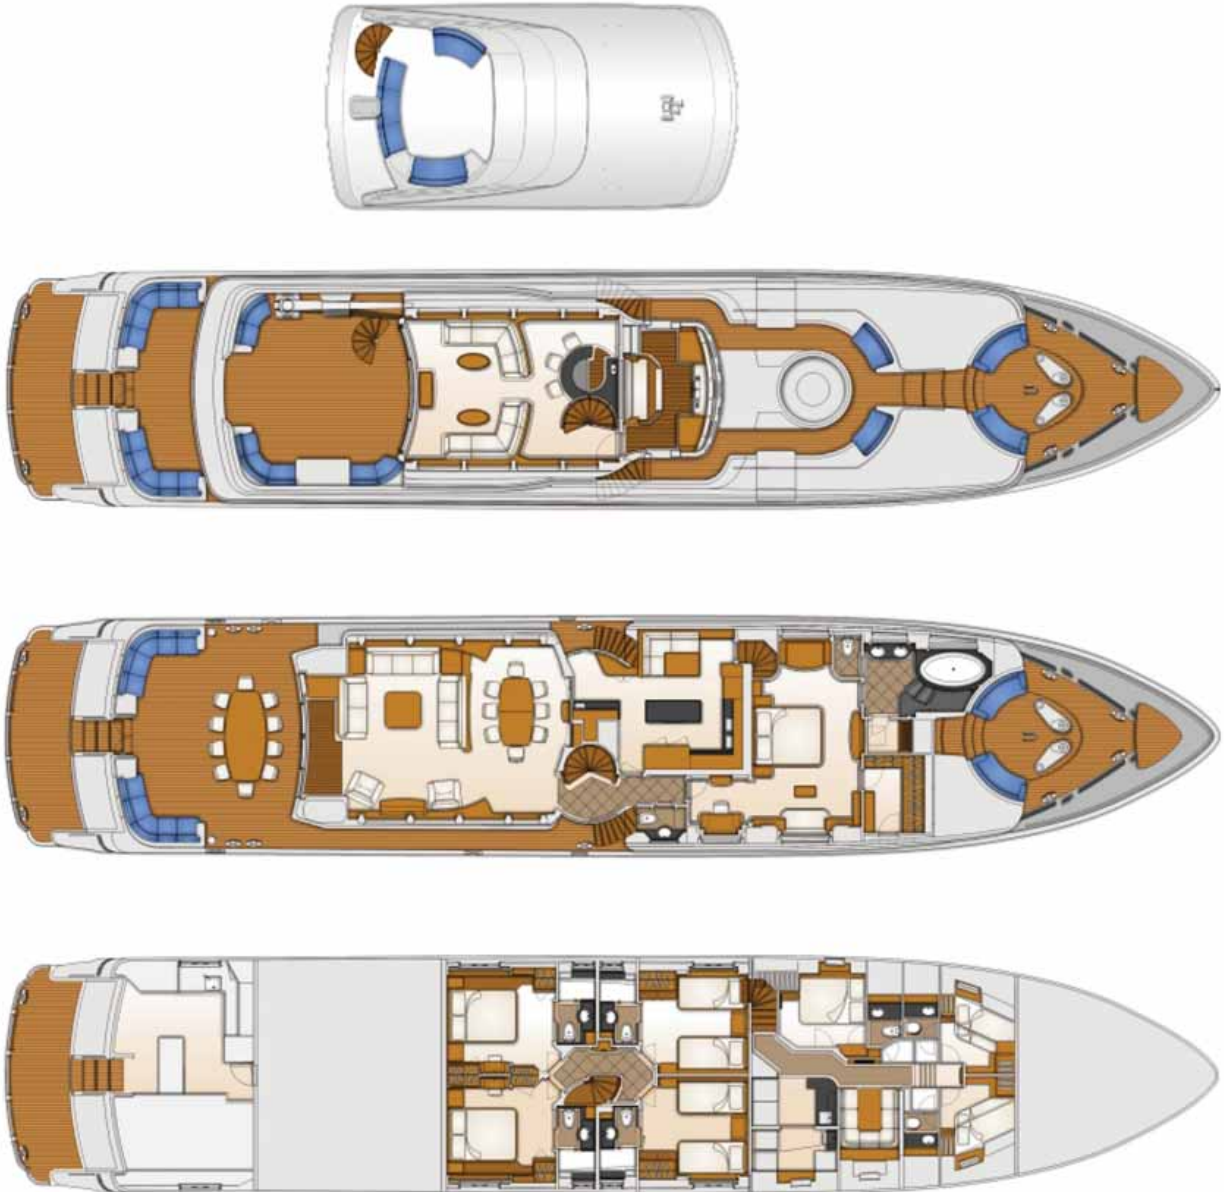

An aerial photograph of a tropical island chain, likely in the Philippines. The water is a vibrant turquoise, transitioning to deep blue as it extends into the open sea. The islands are densely covered in lush green vegetation. In the foreground, a small, rocky islet with a tiny patch of greenery sits in the shallow, clear water. The sky is a pale, hazy blue with a few wispy clouds. The overall scene is serene and idyllic, capturing the beauty of a remote tropical paradise.

“Twenty years from now you will be more disappointed by the things you didn’t do than by the ones you did do. So throw off the bowlines, sail away from the safe harbour. Catch the trade winds in your sails. Explore. Dream. Discover.”

*Mark Twain*
