Space and comfort certainly don't lack on the Canados 86 Minou. With interiors designed by the renowned designer Achille Salvagni, the yacht has elegant and wide environments for its category.

In 2022 the ship has undergone an important refitting consisting in the replacement of moquette, upholsteries, repainting, kitchen and onboard systems. Also in 2018 there were an important refitting and improvements.

The cockpit equipped a table with 10 seats where you can sit comfortably for lunch or dinner; flybridge, instead, has two tables that can be joined into one so it can receive many guests; a large and comfortable couch and a sundeck for two people complete the furnishing. On the bow, then, there is a second sunbathing place for a relaxing respite that can host up to 4 persons. The hall stands out, as the rest of the vessel, for the essential lines and minimal and highly neat design.

The Canados 86 Minou has 4 comfortable guest cabins to accommodate up to 10 persons. The yacht has a Master cabin with king size bed and a walk-in wardrobe; a VIP cabin with queen size bed and two guest cabins with separate beds and a pullman bed. All cabins offer suite with shower and Sky TV.

Technical Specifications
