

E-BROCHURE

Mystic

The 45.95m CMB Yachts-built motor yacht MYSTIC is available for charter following a comprehensive 2020 refit by Dutch yard Van Der Graaf BV.

Her sophisticated and timeless interiors are the work of German-based company Schnaase Interior Design and she has lots of beautiful spaces both inside and out on deck for socialising.

The large main salon has several cream sofas round a gleaming coffee table and a large TV screen with a formal dining table just beyond. There is also covered alfresco dining on the main deck.

A strikingly unique feature of MYSTIC is her ability to host 12 guests in six cabins, including two full-beam master suites, one on the main deck forward and one on the bridge deck aft.

The bridge deck master has access to a private terrace. MYSTIC has a further two doubles and two twins and a sofa in the Owner's office can convert to a single bed for a child if necessary.

MYSTIC

SPECIFICATIONS
