

*Penny Mae*

## INTRODUCTION

*Penny Mae* is a unique 138' Tri-deck Richmond yacht designed with comfort and luxury in mind. Built for the joy of family cruising, she can accommodate twelve guests in six staterooms. Her generous interior features plush salon and dining areas, complemented by state-of-the-art entertainment and modern technologies. Ample alfresco dining can be found on her pristine exterior decks, while the interior design captures elegant flair with rich dark wood accented by lighter-toned soft furnishings.

Highlighting the Main Salon is a beautiful marble-topped bar, and lush salon seating invites maximum comfort to enjoy the centrally located media center boasting a large selection of movies and song titles. Just forward of this area is the Dining Salon, which accommodates twelve for formal gourmet feasts with steward station and galley entrance to port. Through this entrance you will find the spacious galley which is appointed with a full complement of commercial equipment.

On the main deck, the full-beam king Master Suite layout provides a sitting area, generous closet space throughout, office, and his and hers *en suites* with spa bath and steam shower. One deck up is the Skylounge VIP Suite which offers spectacular views of the sea, and includes a dressing table, chair, and an *en suite* with spa bath. Additional guest accommodations on the lower deck offer two Queen Suites and two Twin Suites, all with their own *en suites*, including spa baths as well. Crew accommodations for eight include a large, double berth Captain's cabin, two twin bunk cabins and a twin bunk-engineer's cabin aft.

PENNY MAE's exterior living spaces provide the utmost in entertainment. The Skylounge deck features a full bar, wrap-around sofa, cozy armchairs, a large flat screen pop-up television and entertainment system with full media center. Sundeck amenities include a Jacuzzi, helm station and a multitude of seating choices including five reversible sunbeds. Additionally, a large retractable awning, two commercial umbrellas and a custom retractable sun roof will ensure there are plenty of shaded seating options whenever necessary.
