

E-BROCHURE

Perseus

Built in aluminium and steel, PERSEUS is a fast, stable sailing yacht from Perini Navi, which has proved herself a highly capable racer, but she also has everything on board to ensure a fun, relaxing family charter away from the starting line.

PERSEUS' Christian Liaigre interiors are reassuringly traditional, with cherry wood cabinetry in the large salon, which comes with a big TV screen with on-demand films, plenty of big, plump sofas, and a separate dining room forward.

She can accommodate 10 guests across either four or five cabins, including a full-beam master, which can convert to two cabins, a further double, and two twin cabins.

There are also two additional Pullman berths, and this flexible arrangement makes her ideal for families.

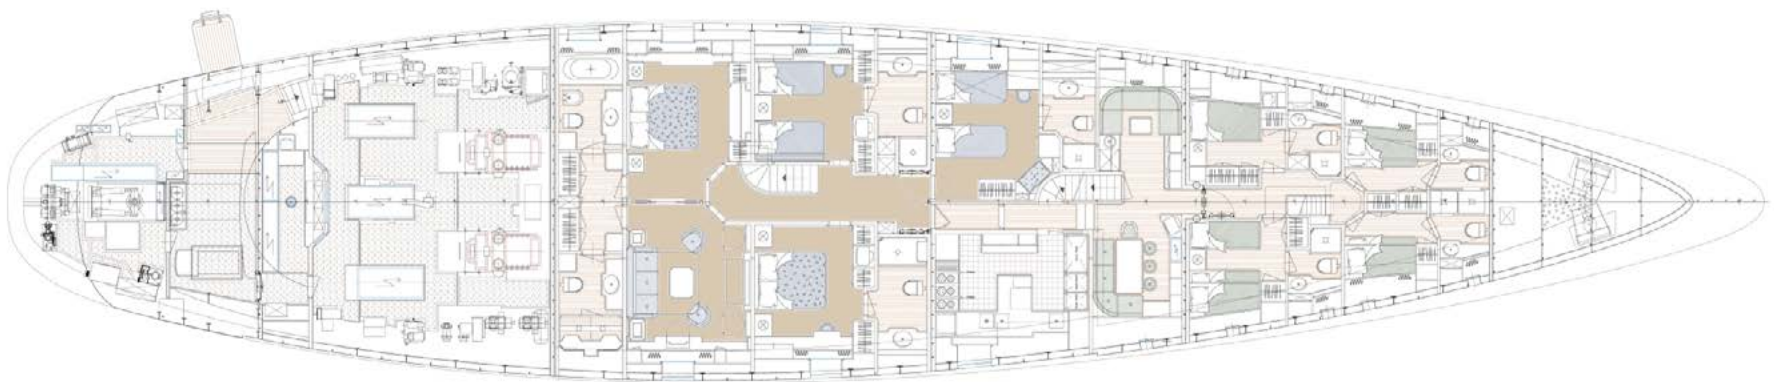

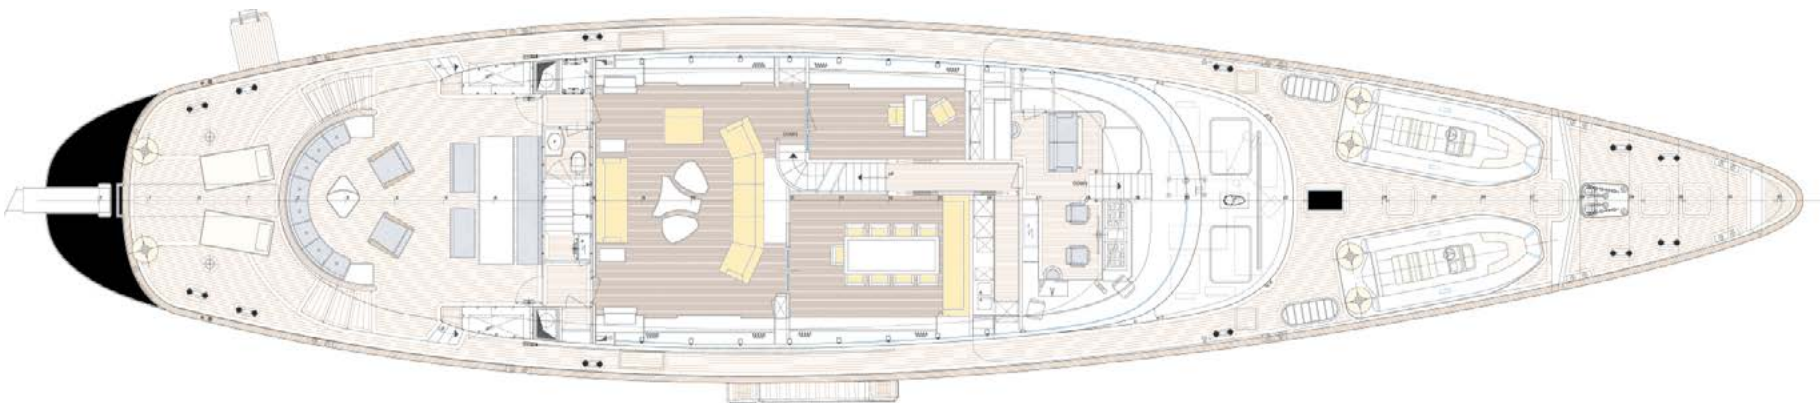

Out on deck, there is plenty of room for sunbathing, exercising, and making the most of the 360-views.

While the sunken seating area is a cool space for dining alfresco and taking in the sea air either at anchor or underway

SPECIFICATIONS

MAIN CHARACTERISTICS
