SENSES

Think of adventure. Think Senses. Purpose-built for expedition cruising, she and her close-knit crew have quite literally travelled the world in search of the best surfing, diving and fishing spots. Because once-in-a-lifetime experiences are what Senses does best. A globetrotting 6,000 nautical mile range gives her the scope to explore any corner of the planet. While no less than 6 specialist expedition tenders allow her to get the most out of any destination.

ULTIMATE ADVENTURE

For a unique experience, you'll need a unique yacht. Senses is exactly that. With a range of onboard amenities, including a gym, a massage room, an observation deck and several deck areas made for relaxation and entertainment, wherever you are, fun and good times are guaranteed.

SENSES

Memorable is what Senses does best. Her most special discoveries happen in her observation lounge, where 180° windows offer unending forward views.

FULL OF CHARACTER

Her spacious interiors are light and breezy. Large windows and splashes of colour brighten a palette of natural woods and soft, tactile materials, with sophisticated design details giving character to the spaces.

INTERIOR LIVING

SENSES

Senses can accommodate 12 guests across six cabins. A full beam master suite features a gyro-stabilised bed, two lounge areas and his and hers ensuite bathrooms.

HOME AWAY FROM HOME

Four guest cabins await on the lower deck, two of them convertible from Kings to twins as required, along with a gym/massage room which can easily be converted into a sixth cabin with twin beds.
